Section 4: Additional Information and Feedback

NOTES AND FEEDBACK

Any important extra information about the data reported in the Form, any data limitations, or any other feedback.

Income data is presented as per the financial system on 14 June 2023. Section 2.1 "Allocation of funds" is a rough breakdown of funds by sector. Most funds pledged by BRC to IFRC are unearmarked, therefore we are not able to accurately specify the breakdown by sectors. Our figures for Syria in 2.1 also include funds going directly to SARC (which will be the majority), not just funds pledged to the IFRC Syria Appeal. Please note that the breakdown of allocation of funds between Türkiye and Syria is not for onward sharing and could change.
