## Section 4: Additional Information and Feedback

### NOTES AND FEEDBACK

*Any important extra information about the data reported in the Form, any data limitations, or any other feedback.*

Income data is presented as per the financial system of 14th February 2023 and expenditure section does not currently reflect the proposed commitments made to SARC (2m GBP), IFRC Turkiye Appeal (3m GBP) and IFRC Syria Appeal (1m GBP) which will be updated in the next iteration of this report.

Section 2.1 "Allocation of funds" includes very initial plans and includes funds going directly to SARC (majority), not just funds pledged to IFRC Syria Appeal.

Breakdown of allocation of funds between Turkiye and Syria and per sector is also still in draft stage - not for any onward sharing at this point as it still needs much more detailed discussion and agreement with all partners including SARC.
